

Many of the roads on these routes are gravel roads and large parts are limited or no cellular phone reception, therefore please plan carefully before leaving:
Ensure that your vehicle is mechanically sound, your spare tyre is in good condition and you have enough fuel.
If you are planning to sleep over on route, ensure that your booking is confirmed prior to departure.
When travelling on gravel roads please do not exceed 80 km/h.
Ensure that you have water and a few snacks in the vehicle.
